

D50 L1

Art.-No. 80.71.101

Waste system for hinged doors

The system is designed for kitchen cabinets from 500 mm width. In addition to the voluminous main container for bulging 35 litre waste sacks, the system includes a practical storage lid for cleaning utensils, sack rolls and more. Thanks to the innovative bolt and easy cleaning of the cabinet, this system combines foolproof handling and maximum storage space.

- ▶ Bouncy waste bags thanks to large main bin
- ▶ Compatible with the divider (accessory) for the clean use of two waste bags
- ▶ Easy to remove thanks to the newly developed bolt for fixing the bin
- ▶ More storage space thanks to the storage lid for bag rolls, cleaning utensils and more
